Dear M's Mikulsi: We live apprximatley 1 mile from the Texas Quarry which is near the intersection of Beaver Dam Rd. and Padonia Rd. in Timonium. My question is has the EPA or some similar government agency checked on the air quality in and around the plant? A ride down Beaver Dam Rd. shows that the trees, sidewalk and roadway are covered with white dust which can't be healthy to breath. With a dense population in Mays Chapel and along York Rd. this would appear to be a real health hazard. I would appreciate you or your staff cheking into this. Thank you in advance,
